

The International Association of Aquaculture Economics and Management
Graduate Student Travel Award

IAAEM is offering awards for travel to professional aquaculture meetings.* The award amount is \$325 per student. To qualify for an award, applicants must present a paper at the meeting. Papers must contain an economic, management, or marketing theme to receive consideration. Winners will be notified by email approximately two months before the meeting. Award checks will be distributed during the meeting at the scheduled awards ceremony or the IAAEM board meeting.

To apply for a travel award, complete the attached form and provide the following information:

1. Name, address, email, major, school, degree program, and expected graduation date.
2. Title of presentation.
3. Abstract or brief description of presentation.
4. Economic, management, or marketing contribution of the work.
5. Any other information the applicant would like the committee to consider.
